

Job Profile

Shop Assistant

Meet Jodie:

Jodie works as a Shop Assistant at a farm shop. She has shared with us what her job is like.

Responsibilities

At her job Jodie cleans the painting tables, fills the bottles with paint, answers customer questions, restocks shelves in the shop and organises shop displays.

Shop Assistant

Working hours

Jodie works one shift a week. Her shift lasts 4 hours and she takes a short break sometime during the shift.

Earning a wage

Jodie gets paid a wage to work. She likes to save some of the money she earns and spend some of it.

The Best Parts

Jodie's favourite task to do at work is working on the pottery station and getting tables ready for customers to paint their pottery. Jodie's favourite thing about having a job is earning her own money and doing something different in her week.

Shop Assistant

What to Expect

The Farm Shop can get very busy with customers looking for different things. Jodie needs to know where all the different items are kept around the shop and answer customer questions when people need help

Job Skills

To do her job Jodie needs to:

- Turn up to work on time
- Act and dress appropriately for work
- Listen to instructions from her manager
- Be friendly to all of the customers
- Answer questions from customers about things in the shop
- Be able to work in a busy environment
- Keep the pottery stations clean without getting paint on herself
- Use attention to detail to keep the shop looking tidy
